The *Gratitude in Action Conference* is a unique event that focuses on the Primary Purpose of the members of Alcoholics Anonymous: to stay sober & help others to achieve sobriety. The presenters in this conference had been chosen to share their experience based on their ability to carry the message of recovery to the alcoholic who still suffers from alcoholism.

As Bill W., one of the founders of Alcoholics Anonymous, put it: “*Through Alcoholics Anonymous, I have been restored to sanity. The promises are being fulfilled in my life. I am grateful to be free from the slavery of alcohol. I am grateful for peace of mind and the opportunity to grow, but my gratitude should go forward rather than backward. I cannot stay sober on yesterday's meetings or past Twelfth-Step calls; I need to put my gratitude into action today.*”
